

Solidarity Statement with The Socialist Party of Zambia and Comrade Fred M'membe

We have heard from our comrades in NUMSA that a warrant of arrest has been issued for Comrade Fred M'membe of the Socialist Party of Zambia and that his wife and several workers connected to The Zambian Post Newspaper have been arrested in a violent raid on his house by scores of armed police.

This is the result of the Lungu government's determination to shut down an independent voice of opposition criticizing President Edgar Lungu, his Patriotic Front party and their followers.

It is an attack on freedom of the press, which is the cornerstone of any democratic society.

We agree completely with NUMSA, that as a working class party, "We have a responsibility to defend and advance democracy, human rights and full human freedom. We have a duty to defend and advance the interests of justice".

We wholeheartedly support the NUMSA call for workers internationally to show solidarity with workers fighting against tyranny and for democracy throughout Africa, and to boycott trade with Zambia.

Like NUMSA, we pledge our solidarity with all the working class and socialist forces in Zambia in general, and to the Socialist Party of Zambia in particular and to comrade Fred and The Post newspaper.

We support NUMSA in demanding the following from President Lungu of Zambia:

1. Stop, forthwith, the harassment of Comrade Fred, his wife and workers of The Post.
2. Fred M'membe's wife and all those detained must be released, immediately and unconditionally.
3. The warrant of arrest for Fred M'membe must be withdrawn immediately.
4. Ensure that Zambian tax authorities comply with the order to have The Post opened and operating normally, and to allow for the normal resolutions of the tax matters between the two parties.
5. The Mast must operate normally, without hindrance or harassment.

Reply to US Embassy Invitation- from WRP Namibia

Letter:

to Mr. Charles Lobodell, Political Officer, American Embassy, Windhoek, re: Meeting 10 December 2014

Dear Sir,

You have requested a meeting with me to discuss:

- Our position on the election.
- Our programme for the next 5 years in parliament.

We have delegated Mrs Erica Beukes, Jacobus Josob and our two parliamentarians to meet with you on Thursday, 14:00, 11 December 2014. As indicated I will not be able to attend.

Our delegation is to discuss the following concerns.

In 1976 Dr Henry Kissinger on behalf of the American Government requested Sam Nujoma to get rid of the "radicals" in SWAPO. The "radicals" were SWAPO Youth League and PLAN fighters who were demanding a stop to the corruption of the SWAPO leadership and a Congress to call the leadership to order and chart out a political programme centred on self-determination. This leadership were using warehouses of weapons, food, clothing, medicine and general provisions as their wholesalers while PLAN fighters were dying of hunger in the camps.

They were also opposing the Sole and Authentic Representative status of SWAPO bestowed on it by the United Nations Organisation. The SWAPO leadership was tribal and did not represent the Namibian Nation.

Dr Kissinger also had talks with President Kenneth Kaunda of Zambia.

Shortly thereafter the Zambian Army rounded up the Plan and Youth League members and started killing them. The survivors were kept at Mbaroma Camp in Zambia.

As a result of the Kissinger initiative, SWAPO in 1978 started building 3 metre deep dungeons in which it threw hundreds of SWAPO members culling them regularly by firing squad and hurling some of them from a mountain cliff in Southern Angola. Thousands died in this manner until 1989.

Three days before the Cassinga massacre the SWAPO leadership

ordered the Mbaroma Camp inmates to be dressed in army fatigues and brought to Cassinga in southern Angola to be massacred on 4 May 1978.

Sam Nujoma during this reign of terror caused the 11-year old son of Martha Ford (née Beukes) to be killed as reprisal for her criticism of their treacherous politics and sexual abuse of young girls. Mrs Ford was a member of the Politbureau.

The ultimate consequence of this was that the issues of self-determination and civilization was deferred to today. We now sit with a kleptocracy which ravages the country and its people like a swarm of locusts.

Our delegation will also inform you of the electoral fraud which has become endemic in this country. The very sovereignty of the country has been shown to be void with the Indian voting machines. This has been declared "free and fair" by the European Union while the German Supreme Court has declared voting machines to be intransparent and open to fraud. Even Universal Franchise has been assailed and nullified.

Our concern is that the Kissinger Initiative put an indelible question mark on your invitation. We cannot be blamed for suspecting that this may be the beginning of American intervention in Namibian affairs which bodes ill for Namibia, ourselves and our party.

If that is the case, we demand that you desist from continuing the Kissinger initiative.

We write this letter for the historical record, the laws of which are stronger than any power.

Hewat Beukes, Authorised Representative.

Namibia: WRP election successes

Workers Revolutionary Party to Rebuild the Fourth International is a member of the Workers International for the Rebuilding of the Fourth International.

Its leadership emanated from the liberation struggle of Namibia and were part of the socialists in the SWAPO Youth League, which in 1976 unsuccessfully challenged the SWAPO Leadership for all-encompassing corruption and imperialist collaboration due to imperialist intervention.

In 1984 we started building our party clandestinely and stood in the forefront of the struggle against the terror campaign and mass killings of SWAPO members by the SWAPO leadership in exile in Angola and Zambia.

In 1988 our party called out the mass protests of 4 May 1988 against South Africa just prior to independence obtained in 1989.

Since 1990 we have fought on all fronts on issues wracking the working class and the colonial status quo maintained by the colonial ruling classes through a caretaker boss-boy SWAPO regime.

We dealt with trade union issues, the homeless, the landless and workers who were in struggle over the past 24 years.

We participated in elections to articulate a workers programme and self-determination for national groups.

We did not stand in the 2009 elections due to our work with mass workers groups such as the TCL miners whose pensions were stolen, teachers who were being pauperized, fuel workers who were being brutalized, the Truth and Justice Committee seeking historical restitution of history and the landless

whom the regime sought to bulldoze after they had taken their land by themselves.

We took part in the 28 November 2014 general elections, incorporating former soldiers of South Africa who were forcefully conscripted during the colonial era and whose pensions were stolen by the SWAPO regime, and won two seats in the National Assembly to the consternation of the bourgeoisie.

The media speculate on how a party which has not made one rally or campaigned could obtain such a high number of votes and for that matter a communist party.

Our votes varied between 1.5 and 2% over this vast country (1,600 km north to south, from central Namibia to north west 1,600 km, east to west 800 km.)

Our votes came mostly from organized groups and from supporters of our work over 24 years.

(We plan to produce a fuller report on the Namibian election campaign and results in the next issue of Workers' International Press – Editor)

INTERNATIONAL APPEAL

Our party is a member of the Workers International for the Rebuilding of the Fourth International. Its leadership emanated from the liberation struggle of Namibia and were part of the socialists in the SWAPO Youth League, which in 1976 unsuccessfully challenged the SWAPO Leadership for all-encompassing corruption and imperialist collaboration due to imperialist intervention.

In 1988 our party called out the mass protests of 4 May 1988 against South Africa just prior to independence obtained in 1989.

Since 1990 we fought on all fronts on issues wracking the working class and the colonial status quo maintained by the colonial ruling classes through a caretaker boss-boy SWAPO regime.

We dealt with trade union issues, the homeless, the landless and workers who were in struggle over the past 24 years. We participated in elections to articulate a workers program and

self-determination for national groups.

We did not stand in the 2009 elections due to our work with mass workers groups such as the TCL miners whose pensions were stolen, teachers who were being pauperized, fuel workers who were being brutalized, the Truth and Justice Committee seeking historical restitution of history, landless whom the regime sought to bulldoze after they had taken their land by themselves.

Our votes vary between 1.5 and 2% over this vast country (1,600 km north to south, from central Namibia to north west 1,600 km, east to west 800 km.)

Our votes came mostly from organized groups and from supporters of our work over 24 years.

Unlike the bourgeois parties we immediately establish contact with our voters and supporters to organize and to consult.

The Workers International supported us financially with their support crucial to our success over this vast country.

We now face a problem with a shortage of funds for follow-up work which is crucial for consolidation. We herewith appeal internationally for further support of at least one-thousand British pounds to sustain our work.

We further need to put out our own paper "The Worker"

nationally to counteract the incessant attacks by the bourgeois media which seeks to portray us as unrealistic and misrepresent us.

We need to bring our true history to the regions through our branches and we are now in a position to take the next step to join the United Front with the NUMSA in South Africa.

At the moment there is no way in which we can meet the costs for this work ourselves until we have established proper organization.

ELECTION MANIFESTO FOR NAMIBIA 2014

Introduction

We are using the 2014 elections to propagate the following enlightenment for the working people of this country:

On 13 November 1970, the Namibian nation called together the National Convention at Rehoboth where national groups were represented by their respective leaders including the SWANU and SWAPO. It was to be a united front for the liberation of Namibia from South Africa. In January 1971 the UNO declared – SWAPO a tribal organization – the Sole and Authentic Representative of the Namibian People, thereby rendering void the right to self-determination of the Namibian People.

The UNO subsequently revoked the representative status of the leaders of the different national groups and thus opened the way for the South African sponsored Turnhalle Conference in 1975 and the Conscription Act in 1977.

We the present leaders of the WRP – then leaders of the Youth League – with others led the Anti-Conscription movement, which was opposed by the SWAPO leadership in exile.

The Anti-Conscription movement led to mutiny within the SWATF and soldiers who escaped fled into exile to Angola and Zambia where they were forced to confess to being spies and all of them were killed.

In 1982 the “Five Western Powers” with South Africa and the UNO agreed to so-called National Reconciliation in which the South African sponsored parties would reconcile to leave the colonial economic situation as is.

SWAPO willingly reconciled with the colonial ruling classes, but seized N\$36 million of the SWATF/KOEVOET pension. These soldiers were demobilized and immediately became victim of Labour Hire and dire exploitation as part of the lower working classes.

The SWAPO leaders now use their phony liberation status to refuse to give back the stolen pensions.

The SWATF/KOEVOET represent in every respect the plight of the working classes of Namibia.

For this reason, we the WRP have integrated this group of soldiers to give them the respectable political home which they deserve.

Our election campaign is based on the following:

- 1. We, the WRP, go to Parliament to speak over the heads of the bourgeois parliament, to the masses of the people. We have no regard for the Namibian Parliament as it is an institution of capitalism and in a backward country like this it takes absurd forms in which it is a mere rubber stamp for legislation and decisions of the big corporations and the banks. We cannot speak of taking over parliament as the elections have already been rigged with inaccessible electronic voting machines made in India.*
- 2. We are using these elections to advance the demands of the working class including the poor peasantry and in particular the demands of the SWATF/KOEVOET families and relatives, in relation to stolen pensions, loss of income and losses in general through economic sanctions, marginalization, victimization and discrimination, landlessness and homelessness.*
- 3. We will articulate and support the demands of the Herero and Nama people for War reparations for Genocide (1904-8) from the German State.*
- 4. We will put forward the seizure of our Natural Resources to enable us to fund the upliftment of the working class and poor peasantry in general and the neglected SWATF/KOEVOET soldiers in particular.*

5. We will put forward the immediate cessation of the wanton sale of our natural resources through Exploration Licenses (EPL's) with seizure of it without compensation, to enable us to fund the upliftment of the working class and poor peasantry.
6. The demands of the SWATF/KOEVOET will also highlight the demands of the working class in general.
7. We will further advance the demand for basic needs of the working class families to be provided and subsidized by the government on the first tier level (Municipalities), housing, water and electricity, public transport, clinics, kindergartens, sport and recreation facilities, etc to be brought to the people.
8. We will advance taxation for excesses and demand **living** wages tied to the rate of inflation (and not minimum wages).
9. We will demand land to the landless and subsidies for the upliftment of the poor peasantry.
10. We commit ourselves to rebuild the 4th International with the world's working classes, the subregional working classes of Angola, Zimbabwe, Zambia and in particular South Africa with which we share a common political history.
