LETTER OF APPEAL FOR SOLIDARITY FUNDS FOR THE WORKERS REVOLUTIONARY PARTY IN NAMIBIA

The Workers Revolutionary Party is being denied its Legitimate Funding by the Parliament of the Republic of Namibia.

The Party has won two seats in the National Elections held in November 2014. The Party has attracted 13 328 votes at this election and is therefore entitled to Funding from the Central Government as provided by Law.

The SWAPO Speaker declared a faction of the WRP and referred the matter to the Office of the Ombudsman for mediation. The ombudsman ruled in favour of the original WRP and stated that the purported faction was a nullity and had no basis in Law to claim that they were the Workers Revolutionary Party (See Attached copy of the Ombudsman's Finding)

Our appeal for Funding goes out to all workers, socialists, human rights groups and Individuals who are sympathetic to the workers' cause. We are in the process of arranging our Congress to elect new Leaders and to discuss and adopt our unified programme for parliament. Also attached is a copy of our Election manifesto.

At the Congress we also need to discuss the Party's participation in the Local and Regional Elections taking place in November 2015. The WRP also rejects the EVM Voting System and is considering the organising of an Exit Poll.

We need to travel and make contact to our people in all 14 Regions of this vast country of ours. All contributions will go a long way towards covering the expenses of organising an Election Campaign i.e. Travel, Communication, Accommodation. This will start with the Congress and lead up to the elections. We also need to publish our newsletter to keep our members informed and updated on what is happening in the party and on the Political Front in general.

Your kind assistance will be much appreciated.

Greetings

Erica Beukes

Administrative Secretary for the Workers Revolutionary party
