INTERNATIONAL APPEAL

Our party is a member of the Workers International for the Rebuilding of the Fourth International. Its leadership emanated from the liberation struggle of Namibia and were part of the socialists in the SWAPO Youth League, which in 1976 unsuccessfully challenged the SWAPO Leadership for all-encompassing corruption and imperialist collaboration due to imperialist intervention.

In 1984 we started building our party clandestinely and stood in the forefront of the struggle against the terror campaign and mass killings of SWAPO members by the SWAPO leadership in exile in Angola and Zambia. In 1988 our party called out the mass protests of 4 May 1988 against South Africa just prior to independence obtained in 1989.

Since 1990 we fought on all fronts on issues wracking the working class and the colonial status quo maintained by the

colonial ruling classes through a caretaker boss-boy SWAPO regime.

We dealt with trade union issues, the homeless, the landless and workers who were in struggle over the past 24 years. We participated in elections to articulate a workers program and self-determination for national groups.

We did not stand in the 2009 elections due to our work with mass workers groups such as the TCL miners whose pensions were stolen, teachers who were being pauperized, fuel workers who were being brutalized, the Truth and Justice Committee seeking historical restitution of history, landless whom the regime sought to bulldoze after they had taken their land by themselves.

We took part in the 28 November 2014 general elections, incorporating former soldiers of South Africa who were forcefully conscripted during the colonial era and whose pensions were stolen by the SWAPO regime, and won two seats in the National Assembly to the consternation of the bourgeoisie.

The media speculate on how a party which have not made one rally or campaigned could obtain such high number of votes and for that matter a communist party.

Our votes vary between 1.5 and 2% over this vast country (1,600 km north to south, from central Namibia to north west 1,600 km, east to west 800 km.)

Our votes came mostly from organized groups and from supporters of our work over 24 years.

Unlike the bourgeois parties we immediately establish contact with our voters and supporters to organize and to consult.

The Workers International supported us financially with their support crucial to our success over this vast country.

We now face a problem with a shortage of funds for follow-up

work which is crucial for consolidation. We herewith appeal internationally for further support of at least one-thousand British pounds to sustain our work.

We further need to put out our own paper "The Worker" nationally to counteract the incessant attacks by the bourgeois media which seeks to portray us as unrealistic and misrepresent us.

We need to bring our true history to the regions through our branches and we are now in a position to take the next step to join the United Front with the NUMSA in South Africa.

At the moment there is no way in which we can meet the costs for this work ourselves until we have established proper organization.
